

SURGENT'S PARENTS GYMNASTICS ASSOCIATION (SPGA)

August 21, 2014

Dear SPGA member,

As we approach the 2014-2015 competition season, our first task is to file the necessary applications. One SPGA payment of \$260 will cover your SPGA membership fee and the USA Gymnastics membership fee. Membership in both organizations is mandatory. Your son(s) cannot compete in a USA Gymnastics sanctioned meet without payment of these fees.

Please find the SPGA and the USA Gymnastics forms attached here and print out a copy of each, for each gymnast. The SPGA form is self-explanatory. However, on the USA Gymnastics form you only need to complete the top (gymnast) section and have both parents (if possible) and gymnast sign the form. Ignore the payment info at the bottom of form. Please attach a check for \$260 payable to SPGA and return these two forms to the SPGA mailbox in your respective gym **BY SEPTEMBER 5th**. For those families who have more than one son competing, an additional payment of \$54 is required for their membership into USA Gymnastics, making your total due to SPGA \$314.

The **SEPTEMBER 5th** deadline is very important. Registrations for the 2013-2014 season are already arriving.

For your information: your \$260 covers the USAG membership fee (\$54), as well as payment for coaches and expenses for meets; holiday and end-of-year gifts for the coaches; the end-of-year picnic for all families; and gifts for graduating seniors and any seriously injured team member.

PLEASE CHECK YOUR E-MAIL OFTEN! This is our primary mode of communication.

Also check the SPGA website: <http://www.spga.50megs.com/>

Here you can find much-needed information such as the SPGA Handbook, the current roster, the meet schedule, links to applications and much more. Updates to the website will be made as we confirm dates and other details.
